

Discard (command)

Dmitriy Eshenko - 2019-09-19 - 0 Comments - in General

The `discard` command removes all pending configuration changes. Syntax

```
[edit]  
vyos@vyos-rtr# discard
```

Examples:

```
[edit]  
vyos@vyos-rtr# discard
```

```
Changes have been discarded
```

```
[edit]  
vyos@vyos-rtr#
```

When there is no change to discard, the command will return:

```
[edit]  
vyos@vyos-rtr# discard
```

```
No changes have been discarded
```

```
[edit]  
vyos@vyos-rtr#
```
